

Fresh Squeezed Mimosas

Servings: 2

Suggested Tools: 2 small bowls, wire mesh strainer or cheesecloth (optional), 2 stemmed glasses

The Ingredients

- 6 oz. chilled sparkling wine or champagne (I used La Marca Prosecco sparkling wine)
- 2 medium Valencia oranges

How to:

1. Squeeze the juice of both oranges into a small bowl
2. Strain the juice into another small bowl through a fine wire mesh strainer OR a piece of cheesecloth to remove pulp IF desired (I didn't strain my juice and they tasted great!)
3. Pour half of the freshly squeezed orange juice into one glass and the rest into another
4. Pour half (3 oz.) of the sparkling wine (or champagne) into one orange juice filled glass, and pour the other half into the other orange juice filled glass
5. Drink and enjoy!
